25X1 \* Comment. In view of a report of another source who stated  
that several installations of the Hq Third Gds Mecz Army in  
Luckenwalde were vacated at the same time, the present report  
confirms to some degree the previous assumption that the army  
headquarters was transferred to Wuensdorf.                      25X1

Wuensdorf has housed an officer training course which arrived
